Dear Sir/Madam,

It gives us great pleasure to announce that UIA AfA Region IV, the Department of Architecture ITS, and IAI (Ikatan Arsitek Indonesia/Indonesian Institute of Architects) for East Java Province organize an online International Webinar as a side event of Affordable Housing Activation (AHA) Removing Barriers, which will be held in on June 18th, 2022. The title of this event is **“Best practice of affordable housing design for post-natural disaster’s recovery and rehabilitations in Indonesia”**.

Thus, we would like to sincerely invite you to serve **moderator for panel session**. The program schedule is attached, and each panelist would be present their work in English in the order according to the schedule. For event preparation, please kindly send your CV and power point material to the committee no later than June 17th, 2022 (official format were attached) by email.

Thank you in advance. Should you require any further details, please email: arina_h@arch.its.ac.id.

Best regards,
Head of Department
